

Dear Tim, BC and all of the WFLi Team,

Many thanks for allowing Target Source Media Group the opportunity to work with you creating your new brand and website. And big congrats on making the Luminaire Selector a part of your strategy going forward. I believe it will be a giant step for you as a lighting agency.

I have enjoyed working with both of you and greatly appreciate your patience. We faced a few hurdles but working together, we were able to overcome them to develop the site and deliver it on time. On behalf of myself and my team, we are appreciative.

I look forward to working with you in the future and I am anxious to hear feedback as you and your team present this very valuable tool to your clients.

These pens are just a small token of appreciation for your business. Have fun blowing the competition away!

Best Regards,
